Effort
meets
Excellence*

Why Core Cricket?

- Experienced and Passionate founders.
- Globally certified Coaching staff of current and former International, Test and First Class cricketers with years of experience at the highest levels of the game.
- Pathways to Success: We have teams in all age groups in National tournaments, partnerships with well known academies around the world, and our players can train and play with our minor league team, The Morrisville Raptors.
- Specialized Partner Providers for Fitness and Mental Performance Training.
- 360 Degree Data driven coaching with AI Enabled Video Analysis.
- Detailed feedback reports with visual analytics for continuous progress review
- International Tours to Australia, South Africa, India, West Indies and other locations.
